

CORA PRIVACY POLICY

Version 0.2 (Revised March 23, 2022)

At Sky Peak Technologies our most important asset is our relationship with our customers and their subscribers. We are committed to maintaining the confidentiality, integrity, and security of information about our end-users. This privacy policy ("Privacy Policy") describes how we collect, use, disclose, share and secure the personal information you provide when you use our software to control data usage, provide data privacy when connected through our mobile application ("the Application") or visit the CORA Website https://corasavesbytes.com/Privacy_Policy.html ("the Site" and, together with any related software, tools and services provided in connection with the Application or the Site, the "CORA Service"). In this Privacy Policy, "you" and "your" refers to individual users of the CORA Service. If you do not agree to the terms of this Privacy Policy you must immediately discontinue your use of our products and services and leave the Website.

WHAT INFORMATION DOES CORA GET AND HOW IS IT USED?

The Application automatically collects certain information related to your use of the Application and your usage, such as: the amount of data transferred, details about your network connection (Wi-Fi or cellular), the internet locations your device has accessed, details about your device (such as information that identifies your device on cellular and Wi-Fi networks, its model name and storage capacity), and when this information was collected. We refer to this information as "Automatically Collected Information" in this policy.

The Application may share with us Automatically Collected information about your data usage. This is anonymous, general information about your data usage, and does not include any personal or location data. We may use Automatically Collected Information to (a) provide you with the Application and enable its functionality; (b) develop, enhance, market, or provide products and services, including the Application; (c) investigate and detect potential fraud; and (d) to meet legal and regulatory requirements.

DO THIRD PARTIES SEE AND/OR HAVE ACCESS TO INFORMATION OBTAINED BY THE APPLICATION?

Yes. We may share your information with third parties generally in the ways that are described in this privacy policy. We may disclose Automatically Collected Information:

- as required by law, such as to comply with a subpoena, or similar legal process;
- when we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to a government request;
- with our trusted services providers who work on our behalf, and do not have an independent use of the information we disclose to them; and with our affiliated companies.

AUTOMATIC DATA COLLECTION AND ADVERTISING

We reserve the right to use and disclose the collected non-personal data in an anonymized and obfuscated way for purposes of advertisement by us or our partners. We do not pass any personally identifiable information to ad networks or advertisers.

BUSINESS TRANSFERS

Personal information about you may be disclosed as part of any merger, acquisition, or sale of company assets. In the unlikely event of an insolvency, bankruptcy or receivership, personal information may also be transferred as a business asset.

CHILDREN

We do not use the Application to knowingly solicit data from or market to children under the age of 13. If a parent or guardian becomes aware that his or her child has provided us with information without their consent, that parent or guardian should opt out of sending usage data on the affected device or disable the Application.

SECURITY

We are concerned about safeguarding the confidentiality of your personal information. We provide physical, electronic, and procedural safeguards to protect information we process and maintain. For example, we limit access to this information to authorized employees and contractors who need to know that information in order to operate, develop or improve our Application. Please be aware that, although we endeavor to provide reasonable security for personal information we process and maintain, no security system can prevent all potential security breaches.

DATA RETENTION POLICY

We may retain data for as long as you use the Application and for a reasonable time thereafter.

CHANGES

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy and as otherwise required by law. You are advised to consult this Privacy Policy regularly for any changes.

YOUR CONSENT

By using the Application, you are consenting to our processing of Automatically Collected information as set forth in this Privacy Policy now and as amended by us. "Processing," means accessing information on devices or using or touching information in any way, including, but not limited to, collecting, storing, deleting, using, combining, and disclosing information.
